

Stand up for kids in your community by sponsoring the  
Children's Advocacy Center of Franklin County and North Quabbin  
Area's annual "Healing and Hope Breakfast"

Our September 16, 2022 breakfast is our largest local fundraiser and all funds raised go directly towards serving children. As a sponsor, you will join us in our mission to minimize secondary trauma to child victims by streamlining the handling of cases of child sexual abuse, serious child physical abuse, and child exploitation. As we look to continue to make improvements to the house and expand our services, your generous support is more important than ever.
